Lady Kobayashi, Female

No, this isn't some drunk raccoon sleeping it off. This is Lady, Hogan's wife, and the model for Michael's wife, Papa.

Right now she's carrying a bit of weight, but when she was young she was one beautiful cat. She's a prideful creature indeed, refuses to loady to humans, and is all-around the most catlike of all our cats. But since — Did I mention this already? — she has put on a little weight, I'm always surprised when I see her

looking like this (even though I see her every day).

I know it wasn't polite to laugh, Lady, but when our eyes met, I just couldn't help myself. Sorry! You know, it's okay to ask for attention now and then. Even when you're not cold and hungry, my Lady.

What's Michael? puts the "comic" back in comic book, blending slice-of-life-comedy, both subtle and slapstick, with off-the-wall flights of fancy. From the horror of guests who won't leave to Sales Manager Michael's night on the town (!!), all paths lead to laughter.

"There's something wonderfully universal about Michael's escapades that almost anyone can relate to."
